Lunch on the boathouse,
Tanjung Puting National Park,
Kalimantan, Indonesia, Borneo

Day 01: Airport – Kumai – Proboscis Tour – Rimba Lodge (L, D)

- Meet & greet upon arrival at Pangkalan Bun airport
- Transfer to Kumai which is a seaport and gateway to reach Tanjung Puting National Park.
- Travel for about 15 minutes crossing the Kumai River before entering Seikonyer River which is the main river in the National Park.
- Lunch will be served on the boat prepared by your own personal cook.
- The scenic river boat will take around 2 hours to reach the Rimba lodge where you will stay overnight.
- After checked in, you are free to roam the surrounding area
- At 1630 hrs, we will take another boat ride to look for the wild proboscis monkey of Borneo along the river bank.
- Transfer back to the lodge for dinner and overnight
- *Meal inclusion – Lunch & Dinner*

Day 02: Rimba Lodge – Pondok Tanggui – Camp Leakey – Rimba Lodge (B, L, D)

- After breakfast, we will proceed upstream to Pondok Tanggui rehabilitation centre where you can see a lot of baby and juvenile Orang Utan being saved from the logging activities being rehabilitated for release to the wild.
- We will continue to the main hi-light of the National Park – Camp Leakey area.
- Our journey to Camp Leakey will cruise along the black water river which is full of wildlife like various species of birds, primates and crocodile.
- Upon arrival at Camp Leakey, we will go on a wilderness trekking in the jungle to observe the various flora and fauna available at the site
- We will go back to our boat for lunch
- After lunch, we will witness another feeding session in the afternoon
- Later we will proceed downstream by boat to Rimba Lodge
- Dinner at the lodge and overnight
- *Meal inclusion – Breakfast, Lunch & Dinner*

Day 03: Rimba Lodge – Kumai – Airport (B)

- Breakfast at the lodge
